Aimee has been working as a professional events photographer for the last four years, and has attended many corporate functions, birthdays and christenings. She prides herself in the high-quality photographic service she provides for many events, including; Student Balls and Events, Charity Fundraising and Events, Black Tie, Corporate Evenings, Staff Parties and Award Ceremonies and Club and Society Evenings

Below you will find a competitive payment scheme that suits a variety of events, please contact Aimee if you would like to discuss this further;

Attendance + off-site printing

The price of attendance is £250 for 3 hours (minimum requirement), and £50 for each hour there after. This price includes an assistant to deal with the organisation of the attendees and printing.

Every guest can have their photograph taken, whether individually, as a couple or in a small group. These photos can then be viewed on a monitor and purchased on the night. All printing will be done off-site, unless otherwise requested; charges may apply for on-site printing. The cost will be £10.00 for a 7"x5" or £12.00 for a 9"x6" un-mounted photo, which must be paid for on the night.

An on-line gallery will be made available for all shots and candid's taken through the night at no additional cost; this will enable additional prints to be purchased after the event. The images will be accessible 7 days after the event and prices will start at £12.00 for a 9"x6" un-mounted print + P&P.

Reduced attendance fees and commission on print sales may apply for charity events.

Subsidised Print Fee

Some event organisers prefer to reduce the cost of the photographs for their guests by paying for part of the print fee beforehand. Several factors will effect this fee, for example; How many people will attend, how many photos may be purchased, the final cost you would like the guests to pay, or if you want the photos to be free to the guests. If you would like to pay a subsidised print fee, please contact Aimee with details about your event, and a fee can be agreed. Attendance fees still apply.

Additional Services

An additional 'roaming' photographer can attend to capture candid's and less formal photographs around the event. This can include table and dance floor photographs, the entertainment and any presentations and awards. The cost of the additional photographer is £50 per hour. These photographs can be viewed at 30 minute intervals throughout the night and purchased alongside the group shots.

The organisers can purchase a CD of all the photographs for £450.00, all images will be supplied at a high resolution, suitable to print at any photographic store/print booth, and will be available for you to do as you please. Discounts may be applied to smaller events. By purchasing this CD/Gallery, a usage license is passed to your company, for you to use the images as you please. However, Aimee retains the right to use the images for portfolio purposes, including on her website. If only a selection of individual photos are required on the disc then a price can be negotiated; it's generally £10 per image. The CD is normally ready within 21 days of the event; however there may be some circumstances where delays may be possible.

Terms and Conditions;

If it is felt that there is a need for a 2nd assistant to attend, due to high attendance numbers, there will be an additional fee at £25 per hour.

Prices are based on the images being printed off-site after the event. If you wish for the images to be printed on-site an assistant would be needed and the cost would increase to cover the cost of hire of equipment and an additional assistant will be needed.

A non-returnable booking fee of £200 is due to secure your booking; the remaining balance is due 14 days prior to the event. In the event of the client(s) cancelling the event for whatever reason the booking fee is non refundable. It will be considered as liquidated damages to the photographer. If the date is being re-scheduled, providing the photographer is available and 14 days notice has been given, the booking fee can be transferred.

A charge of 40p per mile travel expenses for all trips to and from the venue will be incurred for events outside of Oxfordshire.

Once you have received this price list and booked Aimee's services, Aimee will send you a contact for confirmation of services. This quotation is valid for 30 days, after which a new quotation may be required.
